

The Eastern Shore Regional Fire Training Center is again hosting the Mid Atlantic Region for the 2nd annual Eastern Shore Fire / EMS seminar. It will again be held at Nandua High School Feb. 04, 2012. As before, we are offering free vendor space to providers of goods and services to the Emergency services community. Last years attendance was 350 people from Delaware to Western Shore Maryland and Central Virginia. This year we expect to reach the same target audience. If you would like to show you products and services to this target consumer group, please contact C. Ray Pruitt of the Accomack County Department of Public Safety 757-789-3610, to arrange your free space as soon as possible before it is spoken for. We would like to see a strong representation from local vendors. Again the space is free. Last year many vendors contributed items and are services for giveaways during the event.

The Eastern Shore Regional Fire Training
Committee
